

The ROI of Mindset Wellness Workshops

Amanda Maloney
Author, Mindset Coach,
Workshop Facilitator

Why Mindset Wellness Matters

The wellness economy is expanding rapidly, proving that corporate wellness isn't optional—it's strategic.

- The global wellness economy hit \$6.3T in 2023, forecasted to reach \$9T by 2028.
- Organizations investing in employee wellbeing see stronger retention and productivity.

Burnout, Disengagement & Mental Strain are Draining Productivity & Profit

What Makes My Workshops Different

- ✓ Science-backed method – quick, practical, proven.
- ✓ Superconscious Recode – releases limiting beliefs that block success at work and in life.
- ✓ 30–60 min sessions – virtual, fun, and interactive.
- ✓ Human-first delivery – relatable and real.

BOOK YOUR PILOT TODAY
